SUMMER INSTITUTE IN SOCIOLOGY AND HISTORY AT S.G.W.U.

Dear Sir:

Sir George Williams University takes pleasure in announcing its forthcoming Day Summer Institute in Sociology and History to be held from July 11th to August 23rd, 1966.

This year, we will be very fortunate to have leading sociologists and historians teaching at our Institution. Most of our distinguished visiting lecturers are heads of departments of Sociology in their own respective universities and come from as far as Denmark and Nigeria.

Might I suggest that the best possible way of dealing with this important story might be to meet with Assistant Professor Kurt Jonassohn. I, therefore, invite you to call him at 879-5940 to arrange for an interview. Enclosed you will find a detailed programme announcement as well as short biographies of each of our outstanding visiting professors which you might care to read before meeting with Assistant Professor Jonassohn.

Sincerely yours,

Trefflé Lacombe,
Assistant to the Principal.
